

## *From the desk of Matt Chandler*

Hello all,

Thank you so much for visiting our website. Many of your questions can be answered and you'll find some great resources here.

Now, with over 5,000 people coming to our nine services across two campuses and thousands more listening to the Podcast, it is impossible for me to respond to everyone. I love being a shepherd to this flock but part of being a shepherd is knowing when to share the workload. Listed below are some email addresses that will help you get direct care for common issues.

One thing we are constantly striving to accomplish is making me accessible to our covenant members. If you have not joined our family, I encourage you to contact Sara Duran at [membership@thevillagechurch.net](mailto:membership@thevillagechurch.net). She'll help you get connected for both your edification and the Body of Christ's.

Serving a body our size is a both a privilege and blessing. Getting to know each one of you personally is something I might never achieve but I'll be working towards it as long as I am here...which is until the Lord kills me or He makes His triumphant return.

But, The Village Church is not a one man show. We have some incredibly gifted pastors and staff who carry much of the ministry workload. Help me serve you by utilizing The Village Church staff.

Here are some common issues:

Employment Questions – Contact Josh Patterson at [jobs@thevillagechurch.net](mailto:jobs@thevillagechurch.net)

Speaking Requests – Contact Chris Chavez at [speaking@thevillagechurch.net](mailto:speaking@thevillagechurch.net)

Theology Questions – Contact Geoff Ashley at [theology@thevillagechurch.net](mailto:theology@thevillagechurch.net)

Pastoral Care and Counsel – Contact Lee Lewis at [llewis@thevillagechurch.net](mailto:llewis@thevillagechurch.net)

Church Planting – Contact Jeremy Pace at [churchplanting@thevillagechurch.net](mailto:churchplanting@thevillagechurch.net)

If you are sending a note of encouragement please know that your words are much appreciated. I can't always get back with you but please know that I read them weekly in preparation for preaching. My new email address is [pastor@thevillagechurch.net](mailto:pastor@thevillagechurch.net)

For the joy of all the people,

Matt Chandler  
Lead Pastor
