

# Loving our Neighbors.

---

Every summer we partner with local organizations to serve the needs of our community. These opportunities can range from ongoing commitments to one-time events, so whatever amount of time you have to volunteer, we have places for you to step in and love your neighbors!

- **LOVEPACS**

**Date:** ongoing

Born out of a desire to help children in need, Lovepacs was created in order to provide meals to students who would otherwise go hungry during school holidays. Through coordination with local schools and its volunteers, Lovepacs engages communities to feed children as an expression of love.

- **LISD BACKPACK DRIVE**

**Date:** TBD

During their shift, volunteers will assist in filling backpacks with supplies using a provided supply list. Backpacks will then be labeled and put in boxes according to grade levels.
