Living Choices Program

Our sexual risk avoidance program teaches students about sexual integrity and healthy relationships in a fun and interactive format, in order to drastically reduce the number of unintended pregnancies. It addresses topics such as love vs. infatuation, laws regarding sexual offense, and fostering relationships.

→ Embrace Grace

Regardless of your past or what you are going through, whether you choose to parent or place for adoption, we want to walk with you. Our curriculum-based support group helps you walk through the unsteady season of an unexpected pregnancy. This group runs for 12 weeks and is offered in both the spring and fall. To join an [Embrace Grace support group](#), attend Recovery on Wednesday nights (6:30 p.m. – 8:30 p.m., January 18 – April 5). To volunteer, explore this [opportunity list](#). For support, visit [this website](#).

→ Blue Haven Ranch

bluehavenranch.org

We provide supportive community, gospel discipleship, and farm therapy for single pregnant mothers with children. Our clients are mothers who are caring for their children alone because of difficult or abusive situations, and who now find themselves pregnant again. Confronted with this enormous new challenge when they're already overwhelmed, many women feel the pressure to make poor decisions. To volunteer, visit [this website](#).

→ Grace Abounds

Grace Abounds is a [post-abortion support group](#) for women dealing with the regret and grief following an abortion. For many, the guilt and shame is overwhelming, but in Christ, there is healing and forgiveness. Throughout the [11-week study](#) we will dive into the character of God and see that He is Provider, Healer, our righteousness, all-powerful, and faithful. His love for you is stronger than anything you've done and is unchanging. If you have had an abortion, we encourage you to take a step into the light and see how the Lord can turn your mourning into dancing and your sadness into joy.
