# Spring Semester Quick Guide

At the  
table

—among the  
people of God

**A**s a part of our 2030 Vision, we desire for every stage of life, all generations, to have a portion here. Your journey to belonging and connection at The Village Church starts with people, place, and purpose. This spring, we are focused on helping you take your next step in connection:

*BECOME A MEMBER,  
JOIN A GROUP, OR  
FIND A PLACE TO SERVE.*

In this guide you will find the opportunities for our next semester of classes and groups. While we do have programming that runs all year long, there are certain offerings that run on a more formal schedule, offered only in the Fall or Spring semesters of the year, and also require registration, as spots are limited. To see the full scope of everything that TVC offers, visit the Events page of our website ([vll.ge/events](http://vll.ge/events)).

## If you're brand new...
