

Service Expansion FAQs

Do I need to register my child for Saturday services?

You sure don't! Registration is no longer required for worship services, including Saturday service.

Will my preschooler have the same experience in Little Village on Saturday as on Sunday?

Absolutely! We will do our best to make Saturday services as identical as possible to Sunday mornings. Kids will have the same experiences that they know and love including, biblically sound curriculum taught each week, large group teaching environments (for ages 3 - 5-year-olds), singing, scripture memory, learning activities, and more!

What do I do with my Elementary Student on Saturdays between now and August?

Elementary children are always welcome in the worship center along with their families. We will continue to provide snacks, coloring sheets, and activity pages to help your child engage with the service. We recommend you take advantage of [the provided resources](#) to discuss with your child what the worship gathering is and why we gather as a body of believers.

Is my preschooler still welcome in the Worship Service on Saturdays even though LV is open?

The Church is God's Family, and we believe that every stage of life has a portion in the church. If parents so choose, children of any age are always welcome in our worship center.

Do you need more volunteers for Saturdays?

We sure do! Little Village and Kids Village are both currently accepting applications for volunteers for all three service times: Saturdays at 4 p.m., Sundays at 9 a.m., and Sundays 11:15 a.m. Find our volunteer applications [here](#).

When will we add more services on Saturday?

By adding Kids programming to our Saturday service, we hope to provide a more welcoming home to those that wish to join us at that service. Our aim is to see how the additions to the service impact our need to add additional service times.
