

2024

# TVC Fall Semester

## Digital Quick Guide

As a part of our 2030 Vision, we desire for every stage of life, all generations, to have a portion here. We are not just a church that gathers at weekend services. A vital element for our growth and discipleship is our midweek programming like Recovery, Men's and Women's Bible Studies, Young Adults Groups, Outreach Training, and Home Groups.

On the back, you will find the open registrations for our next semester of classes and groups. While we do have programming that runs all year long, there are certain offerings that run on a more formal schedule, offered only in the Fall or Spring semesters of the year, and also require registration, as spots are limited. You can also view all of our events on our website.

[Events](#)

## CLASSES

*Our classes are more book- or curriculum-based, in a classroom style setting. All classes include personal study assignments, small group discussion, and large group teaching.*

Christian Story [Learn more](#)

Women's Bible Study [Learn more](#)

Men's Bible Study [Learn more](#)

The Art of Care [Learn more](#)

Mission of God [Learn more](#)

## CARE GROUPS

*Care Groups are designed to provide support and connection by using a biblically-based curriculum on specific topics of suffering, loss, or oppression.*

Expectant & Single Mom Support (Embrace Grace) [Learn more](#)

Foster & Adoption Parent Group (A Home to Give) [Learn more](#)

Post-Abortion Recovery (Grace Abounds) [Learn more](#)

Grief Group [Learn more](#)

LGBTQ+ Parent Group [Learn more](#)
